Thursday 9th November 2023

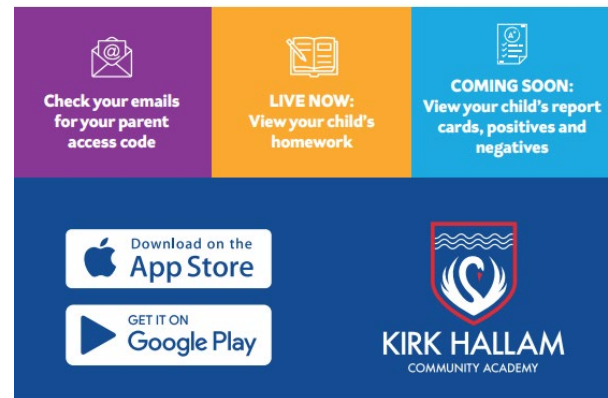

Dear parents and carers,

Class Charts is here!

As we have mentioned in our recent updates, parents will now be able to view their child's home learning via Class Charts. This app is an additional communication tool which will work alongside emails and video newsletters so that parents can monitor aspects of their child's school life at Kirk Hallam.

This week – keep an eye out for your invitation to join, via email. Follow the instructions to download the app and sign up for an account. Students will receive their own separate login details in tutor time.

Next week – there will be a demo home learning task, to be completed by your child before 17th November. This will give you a first experience of how Class Charts works and its benefits. You will also receive an invitation to a coffee morning where we will discuss how to make the most of the Class Charts app.

While parents, students and teachers get used to the platform, home learning will continue to be recorded in planners, but from 27th November we will fully move to Class Charts online.

Attached is a guide which walks you through the process of creating a parent account. In future, you will also be able to access behaviour information for your child. We strongly encourage all parents and carers to sign up. Visit our website at [ClassCharts | Kirk Hallam Community Academy \(kirkhallamacademy.co.uk\)](http://ClassCharts | Kirk Hallam Community Academy (kirkhallamacademy.co.uk)) to find out more.

Thank you for your ongoing support. We look forward to this new development in our home / school collaboration.

Yours sincerely,

Mrs M Cassidy
Assistant Headteacher
