Thursday 10<sup>th</sup> January 2024

Dear parents and guardians,

### **New inner security fencing**

Parents who have visited us at the academy recently, for our concerts or coffee mornings, would have noticed the progress on our new green inner safeguarding fence. This has been built to give us greater site security throughout the day.

The gates (set within the fence at various points) will open to students at 8am, at the same time as our breakfast club in the canteen starts. Please note that students will not be able to access the site before 8am, as there is no guarantee that there will be staff in all areas to supervise them. This will be the case from Monday 22<sup>nd</sup> January 2024.

Students have been very receptive to our punctuality expectations and being on time for school every day. For the few students that still continue to arrive late, they will need to use the intercom at the bike sheds gate and will then be let in and directed to Children's Services before their lesson.

Thank you for your support during the first few days of term and your continued engagement with school.

Yours sincerely,

Mr Turner  
Headteacher
